Dear Dina,

This letter is in regards to the 5/12/14 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (You need to obtain current vet checks for the two dogs to be kept on file. If it has been more than a year since their last visit, a new appointment must be scheduled.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)b Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.) (You need to obtain current certification in the mandatory two hour child abuse training.)

110.5(8) Children's Files

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. (You need to update a couple of your children's files with current physician signed statements of health.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 7/3/14.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope by: 7/3/14.**
